

Welcome to North Jersey Aquarium Society!

NJAS, the largest aquarium club on the east coast, has been in existence since 1953. We meet once a month and host a speaker, mini auction and 50/50. We hold two major auctions each year, a picnic in August and a holiday party each December. We sponsor native fish collecting trips and "Shop Hops". All members receive an electronic copy of our award winning newsletter, "The Reporter". Your NJAS Membership card will allow you to get valuable discounts of up to 30% at many of our sponsor shops.

When approved as a new member you will receive a "New Members Packet" from us which will include a complete explanation of membership benefits, meeting details, and a more detailed explanation of exactly how the club operates. The packet will be emailed to you within seven days of you joining the club. We will notify you by phone if the email address you printed on the top of this form is not correct or if the email provider will not let our emails get through to you.

THIS IS CRITICAL – IF YOU DO NOT HEAR FROM US EITHER BY EMAIL OR PHONE WITHIN SEVEN DAYS PLEASE CONTACT RUSS WHITE AT RWHITE8@OPTONLINE.NET OR CALL 732.928.2838 AND LET US KNOW YOU HAVEN'T BEEN CONTACTED.
